Let a  
**magician**  
make your  
big day  
even more memorable & magical.

The entertainment is one element of your big day that will live long in the memory for most guests!

The ceremony, wedding breakfast, exchanging of the rings etc are a given. A close-up magician really will add a WOW factor!

The entertainment is often the one thing that elevates a wedding to legendary status.

Think about the last wedding you really, really enjoyed – it's almost certain the entertainment played a significant role in those memories.

So, you need to get this bit right. Here's why and when to have a close-up magician to add a wow factor to your big day....

# Why have a magician for your very special day?

~~~~~ Guests will experience the WOW factor

~~~~~ Keeps your guests entertained during a lull

~~~~~ A fantastic ice-breaker / conversation starter

~~~~~ Unique and memorable form of entertainment

~~~~~ Enhances your guests experience

How Long do you perform magic for?

~~~~~ Until the job is done and to ensure I leave guests wanting more (typically up to 2 hours). I am not a clock watcher & if required I am happy to stop longer! I aim to show each guest 1 - 3 routines, each routine contains several moments of magic.

When to  
schedule  
**patrick**  
during your wedding day?

Drinks Reception & Photo Period

The newlyweds will be extremely busy having photos taken. Most guests will only be required for a couple of photos so will be waiting around possibly socialising with people they have never met before. This is a great time to have Patrick entertain your guests. Patrick performing close up magic will not only wow your guests, is also a great ice breaker and fills in a lull!

The Wedding Breakfast

During the wedding breakfast many guests might be seated with guests they have never met before. Patrick performing a short show at each table between courses is not only great entertainment but also a great ice breaker / conversation starter.

Inbetween the wedding breakfast & evening celebrations

Is a massive lull. There is nothing for your guests to do other than wait for the evening celebrations to begin! Patrick performing close up magic can wow your guests during this lull and perform magic to your evening guests as they arrive and kick start the evening for them!

A magical

# souvenir...

At every wedding (that I am performing at), I show the newlyweds a magic effect where they get to keep a magical souvenir to treasure.

## Wedding Fayres

I often exhibit at wedding fayres in a variety of venues and locations. Please send me a message if you would like to know what wedding fayres I am exhibiting at near you.

“ Thank you Patrick for performing at our wedding 14th July. You entertained the guests superbly whilst photos were taken and throughout the meal. The magic went down a storm with all the guests! - **Laura Jones**

“ Patrick performed at our wedding on 27th January and he was absolutely fantastic, all our guests told us that he was brilliant! He took his time with each and every guest and got everyone involved. Every time Patrick finished his magic with a table, the gasps and cheers from our guests really made us thrilled that we had booked him for our big day. We had guests coming up to us long after Patrick had left, he was the topic of conversation all evening. - **Samuel David Cooper**

“ A massive thank you to Patrick who entertained the guests at our Wedding Reception. The close up magic Patrick performed was absolutely brilliant and I've had so many comments from guests who were left speechless by his skills. Patrick is a great performer and his friendly manner also went down so well with everybody. Thank you so much Pat for adding that extra bit of magic to our big day! Incredible!. - **Robert Ayles**
